9 AM TO 4 PM DAILY

Confederation High School

1645 Woodroffe Ave
Ottawa, ON
V0H 1R0

\$250

Plus HST*
1 publication included

*Ottawa Carleton DSB only:
use code "OCDSB" to receive
board coverage

WHO SHOULD ATTEND?

- **ECE-Grade 8 administrators, system leaders, or school learning teams** (1 admin with 1-3 teachers/ECEs/EAs) who wish to support transformative, inquiry-based learning for engaged citizenship and student achievement.

FOCUS

- What are the factors and characteristics required to support the implementation of authentic inquiry, exit outcomes and learning for all?
- Do your School Learning Plans optimize the learning conditions of all students through the responsible and sustainable management of resources?
- How do you create a culture of coherence, job embedded professional learning, collaboration and shared responsibility?
- How does professional growth contribute to the well-being of all individuals, job satisfaction, and student achievement?
- Are the Kindergarten play-based key learnings, skills, and processes transferable to a school-wide culture of inquiry?

The professional learning approach employed over the two days matches the cultural goals for school transformation. We will draw out the experience and questions of those attending to connect values, experience and research to inform the choices and practices you can draw on to transform your school culture.

Space is limited! Register by **August 6** at:

www.LSF-LST.ca/institutes

"Learning for a Sustainable Future is one of the most reputable organizations with whom I have ever worked. Their workshop facilitators are well-trained and knowledgeable and their material is a perfect balance of pedagogy with practical applications for the classroom. I have attended their sessions so I speak from experience." - Social Studies Curriculum Consultant, Manitoba Education and Training

A PROJECT OF:

LSF's mission is to promote, through education, the knowledge, skills, values perspectives and practices essential to a sustainable future.

WITH SUPPORT FROM:

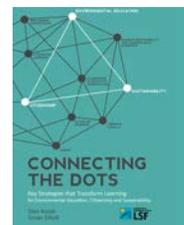

TD Friends of the Environment Foundation
