Who should attend?

- **Educators of all grades** (Preschool - Secondary) who wish to explore how authentic inquiry is being applied to address curriculum expectations; the Institute aligns well with Quebec curriculum (e.g. Broad Areas of Learning, Cross-Curricular Competencies)
- **School administrators and system leaders** who wish to support transformative, inquiry-based learning for engaged citizenship

Receive copies of:

- *Connecting the Dots* *
- *Natural Curiosity* *

*Note: this workshop is facilitated in English, but all our resources are available in both English & French

Outcomes

- Identify & begin to address questions, issues and challenges relevant to applying inquiry in their professional practice
- Experience professional inquiry methods that can in turn be applied with students
- Investigate collaborative knowledge building principles and methods
- Gain confidence in planning authentic inquiry learning experiences and applying appropriate assessment methodology
- Explore how inquiry and other key strategies such as learning locally, real world connections, and acting on learning maximize students engagement
