YOUTH LEADERSHIP FORUM

The Our Canada Project forum is designed to help teachers & students take on a curriculum-connected, real-world sustainability Action Project that has a positive impact in their school or community

9 am

Motivating Action: Keynote address

10 am

Professional Development *for teachers*

- inquiry, project-based, & community-connected learning
- assessment & connecting to curriculum outcomes
- and more!

Skill-Building Workshops *for students*

- introduction to local environmental & social issues
- hands-on activities
- skill building: design thinking, systems perspective, project management, budgeting, & more!
- connections with local organizations & businesses
- inspiration for your own Action Projects!

2 pm

Nuts & Bolts of Taking Action

Share what you've learned & make an Action Project plan to tackle a sustainability challenge in your community

After
the
Forum

And... Action!

Now it's time to implement your Action Project to create real change! LSF will help you along your journey with funding, resources and ideas.

Learning for a Sustainable Future (LSF) is a Canadian charity founded in 1991 to integrate the concepts & principles of sustainable development into the education system.
