With support from

AGA KHAN MUSEUM

YOUTH LEADERSHIP FORUM

The Our Canada Project forum is designed to help teachers & students take on curriculum-connected, real-world sustainability Action Projects that have a positive impact in their school or community

9am

Motivating Action: Keynote address

10am

Professional Development *for teachers*

- project-based, outdoor, & climate change learning
- assessment & connecting to curriculum outcomes
- resources & more!

Skill-Building Workshops *for students*

- introduction to local environmental, social & climate issues
- hands-on activities
- skill building: design thinking, systems perspective, project management, budgeting, & more!
- connections with local peers, organizations & businesses
- inspiration for your own Action Projects!

2pm

Nuts & Bolts of Taking Action

Share what you've learned & make an Action Project plan to tackle a sustainability challenge in your community

After
the
Forum

And... Action!

Now it's time to implement your Action Project to create real change! LSF will help you along your journey with funding, resources and ideas.

Learning for a Sustainable Future (LSF) is a Canadian charity founded in 1991 to promote, through education, the knowledge, skills, values, perspectives and practices essential to a sustainable future.
