Who should attend?

- **Elementary teachers** of all grades who wish to explore how authentic inquiry is being applied across the curriculum
- **School administrators and system leaders** who wish to support implementation of transformative pedagogies supporting engaged citizenship.

Outcomes—through their participation, educators will:

- Identify and **address their individual questions and challenges** in applying inquiry and related strategies in their professional practice
- **Experience professional inquiry methods** that can in turn be applied with students. *We walk the talk* and model inquiry methodology.
- Investigate **collaborative knowledge building** principles and methods such as Knowledge Building Circles.
- **Gain confidence** in planning authentic inquiry learning experiences and applying appropriate assessment methodology.

Each participant will receive print copies of:

Natural Curiosity (www.naturalcuriosity.ca) and *Connecting the Dots* (<http://lsf-lst.ca/dots>)
