

# Climate Change on Our Coasts

**Your challenge:**  
Have a **Climate Conversation** with a trusted adult to learn more about the changes they have seen in their life.

## Step 01. Watch the Action Video

Watch Cara's Climate Conversation Action Video:  
<https://www.youtube.com/watch?v=4YwHWZ6hxJk>

**Brainstorm!** Who will you interview (circle one)?

- Grandparent
- Aunt/uncle
- Former teacher
- Neighbour
- Family friend
- Other \_\_\_\_\_

**Why did you choose this person?**

---

---

---

## Step 02. Research your interviewee

To help you feel more confident and prepared, get some background information about your interviewee before you speak to them.

**What do you already know about them?**

---

---

---

How long have you known them?

How long have they lived in their community?

**What places have they lived or visited?**

---

---

---

---

**What else can you learn about them?**

---

---

---

---

---

---

**What is or was their job (or jobs)?**

---

---

---

Post-experience

# Climate Change on Our Coasts

## Step 03. Have some good questions

What would you like to know? Include different types of questions. Use some that begin with “How...” and “Why...” and “What do you think about...” etc.

*Write your questions below. If you have more than 6, use another piece of paper!*

1. \_\_\_\_\_  
\_\_\_\_\_
2. \_\_\_\_\_  
\_\_\_\_\_
3. \_\_\_\_\_  
\_\_\_\_\_
4. \_\_\_\_\_  
\_\_\_\_\_
5. \_\_\_\_\_  
\_\_\_\_\_
6. \_\_\_\_\_  
\_\_\_\_\_

## Step 04. Listen

It's really important to listen to your interviewee. One of their answers might lead you to think of a new and interesting question 'on the spot'!

*How can you show your interviewee that you're listening?*

## Step 05. How will you record responses?

How will you record your interview? (circle one or more)

*I'm going to write it down!*

*I'm going to film it!*

*I'm going to record it!*

*I have something else in mind*

A large rectangular area with a yellow border and horizontal green lines, intended for taking notes.

**Take some notes!**

# Climate Change on Our Coasts

## Step 06. Take some time to reflect

*What new ideas or information do you have now?*

What did you learn?

---

---

---

---

What was a surprise?

---

---

---

---

What more would you like to know?

---

---

---

---

How did this conversation make you feel?

---

---

---

---

## Extension Looking to the future

*Knowing what you know now about how our earth changes over time, what can you predict for the future? Write a short description,, poem, or song; draw a landscape; make a model; or use another method to describe your prediction to someone else!*
