

# Bottle Ecosystem

Name: \_\_\_\_\_

Draw and label a picture of your bottle ecosystem.

Day 1

What do you think your ecosystem will look like after 7 days?

**Hypothesis** (educated guess):

---

---

---

**Day 7** (Hypothesis)

**Day 7** (Actual)

Am I going to change or add anything to my ecosystem?

---

---

---

Day 14

Did anything change? Did I make it better or worse?

---

---

---

What did I learn about ecosystems?

---

---

---
