

Invention/Design Idea

Name _____

My invention is called _____

Idea adapted from: [Engineering Design Kindergarten Science](#)

Steps:

1. Ask: What is the Problem
2. Learn more: Brainstorm
3. Create
4. Improve

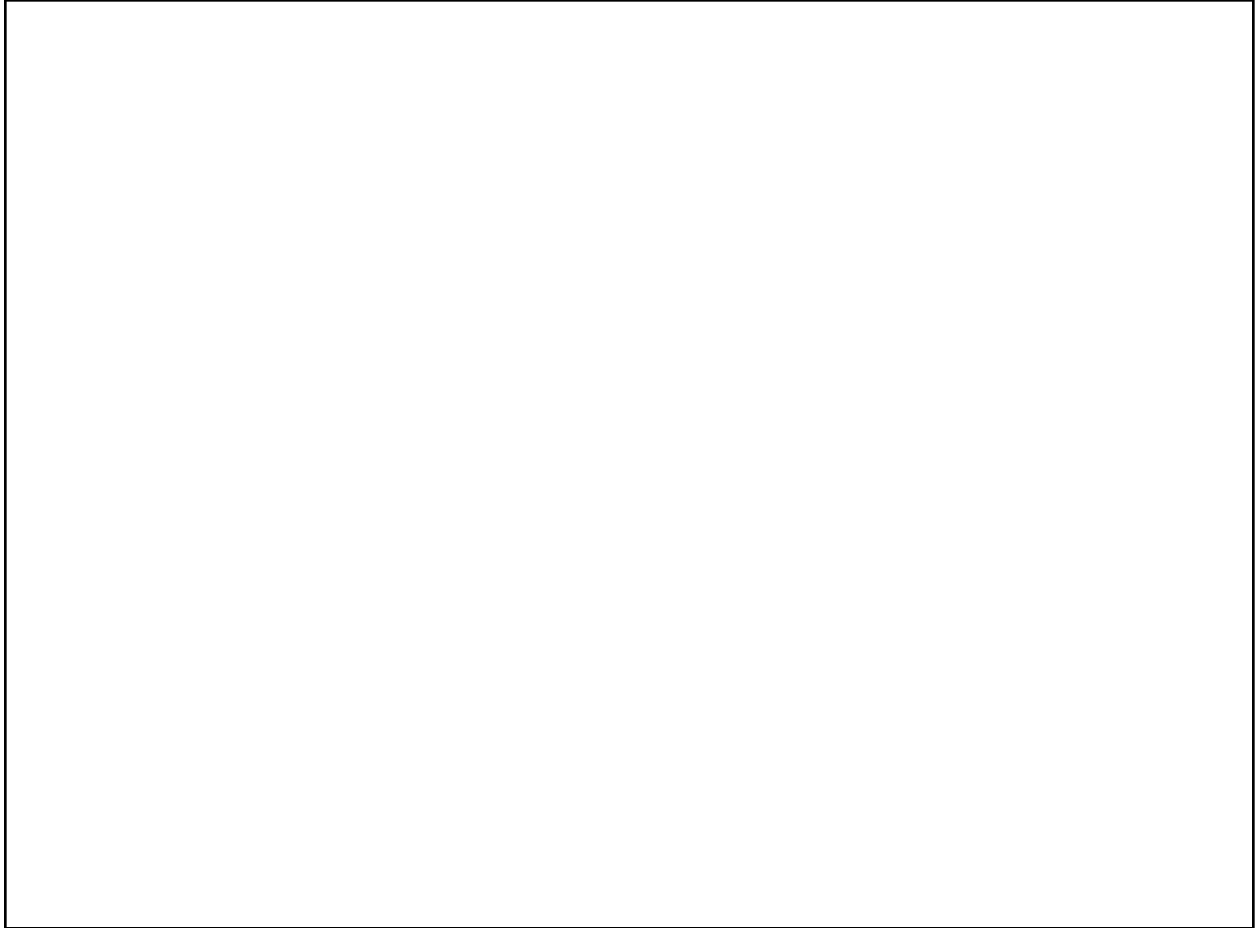

ASK: What is the problem?

We need to save energy to help climate change.

How do we do it?

LEARN MORE: Brainstorm

My Design:

CREATE: Build a prototype (simple model based on your design)

IMPROVE: What can I improve?
