

Scenarios for Dream Community

Instructions: Choose the scenarios depending on the students level of understanding and cognitive development.

Scenario 1

You are sick. Where can you go for help?
(pharmacy/drugstore, dr, chiro, naturopath etc)

Scenario 2

Your dad lost his job and you are hungry and need clothes. Where can you go for help?
(food bank, clothing store like salvation army)

Scenario 3

You got a new dog. What are some important places in your community?
(dog park, vet, pet food store)

Scenario 4

You are bored and would like to spend some time with your friends. Where would you go?
(movie theatre, ice rink, park/playground, swimming pool)

Scenario 5

There is a river that goes through your community, what do we need to do or add to make sure we aren't hurting the animals and plants that live in or near the river?
(more trees, bridges)

Scenario 6

We want to create more "green spaces" and habitats for plants and animals. Where should we think about adding them? (in the city, by the water)

Scenario 7

We are wasting too much energy. How can we make our community more sustainable?

(solar power, wind energy, geothermal)

Scenario 8

You are a mess, you need glasses, braces and have a toothache and hurt your back. Where will you go?

(optometrist, orthodontist, dentist, chiro, physio)

Scenario 9

You love playing sports. Where would you go to play?

(baseball diamond, skating rink, community centre, gymnasium)

Scenario 10

A forest fire is raging through the northern part of your city. You need to evacuate. Where will you go? Who can help?

(police, fire, community)

Scenario 11

Is there anything else you can do in your community to make sure that no one is hungry or living on the streets?

(job placement, community housing, soup kitchen)

Scenario 12

There is garbage all over the streets. Who can help? Is there anything else we can do about it?

(recycle factory, garbage dump and pick up, compost facility)
