

THIS IS A PREVIEW. DO NOT COMPLETE THIS FORM. COMPLETE YOUR FORM AT LSF-LST.CA/FORMS/FINAL-REPORT

LSF Action Project Final Report

Your Information

Your Name *

First

Last

Email *

Your role *

- Classroom teacher
- Principal/Vice Principal
- Other educator
- Parent
- Student
- Other

How did you receive funding from LSF? *

- We applied for Action Project Funding through the website
- We participated in a Youth Forum and requested a grant

Both? Lucky you!

The Action Project Funding and Youth Forum Grants are two separate programs. **Please fill out this form twice** - once for the funding and once for the Forum grant.

School Information

School Name *

City *

Province/Territory *

Action Team Details

Students directly involved in planning/executing the Action Project

- My class
- Another class
- My whole school
- Another school
- A school extracurricular team/club
- A few independent students
- Other

Action Project Details

Your Action Project story: What did you do and why? *

Tell us more about your Action Project. What actions did you take? How does your Project relate to sustainability/climate change? What inspired your students to take on this issue? Why is it important to your community?

0 of 2500 max words.

Action Project Budget: Please list your purchased budget items below with their costs.

Please refer to your signed agreement or Youth Forum grant request for your approved budget items.

Budget Item #1 *

Budget Item #1 Cost *

Budget Item #2

Budget Item #2 Cost

Budget Item #3

Budget Item #3 Cost

Budget Item #4

Budget Item #4 Cost

Budget Item #5

Budget Item #5 Cost

Budget Item #6

Budget Item #6 Cost

Budget Total *

Receipts/Proof of purchase *

Click or drag files to this area to upload.
You can upload up to 10 files.

Upload copies/scans/photos of your receipts or proof of purchase. Please ensure it's easy for us to match your receipts to your budget items above (change the file name, label the receipt before uploading, or circle/highlight relevant items on your receipts).

Action Project Reach: Please tell us how many individuals your Action Project reached:

Students Reached Directly *

of students who worked directly on leading the Action Project

Students Reached Indirectly *

of students who were reached by your Action Project

Teachers *

of teachers who were reached by your Action Project (both directly & indirectly)

Community Members *

of community members who were reached by your Action Project (both directly & indirectly)

Sustainability Impacts

Please help us quantify our impact using these measures. Check all the apply - the more the merrier!

Please select any measures that apply to your Action Project - Not sure? Select a measure to see more info below! *

- Number of trees planted
- Square metres of land/beds/greenhouse planted
- Kilograms of food donated/collected
- Number of meat meals replaced with meatless meals
- Kilograms of food waste diverted from landfill
- Number of reusable items created
- Number of items upcycled/repurposed
- Minutes of vehicle idling prevented
- Litres of water conserved
- Number of wind turbines installed
- Hours of electricity use eliminated
- Number of plants/shrubs planted
- Kilograms of food grown/produced
- Number of people fed
- Kilograms of waste diverted from landfill (non-food)
- Kilograms of compost collected
- Number of reusable items distributed
- Kilometres of driving eliminated
- Litres of rainwater/wastewater collected/recycled
- Number of solar panels installed
- Watts of power saved
- Other

Check all the apply - Select a measure to see more info below

How many trees did you plant? *

What types of trees did you plant? *

How many NATIVE plants/shrubs did you plant? *

How many NON-NATIVE plants/shrubs did you plant? *

Include native species and pollinator-friendly plants

Include non-native species

What types of plants/shrubs did you plant? *

How many square metres of land/beds/greenhouse did you plant? *

Where did you plant? *

e.g. beds in the schoolyard, raised beds in the classroom, planters in the greenhouse

How many kg of food did you grow/produce? *

What type(s) of food did you grow/produce? *

How many kg of food did you donate/collect? *

e.g. in a food drive

How did you collect the food and where did you donate it? *

How many people did you feed? *

How did you feed them? *

e.g. through a one-off event, or a regular program?

How many meat meals did you replace with meatless meals? *

How many kg of NON-FOOD waste did you divert from landfill? *

e.g. through proper garbage sorting or reducing waste

How many kg of FOOD WASTE did you divert from landfill? *

e.g. through composting or reducing food waste

How many kg of compost did you divert from landfill? *

How many reusable items did you create? *

e.g. beeswax wrap, reusable bags, etc.

How many reusable items did you purchase/collect & distribute? *

e.g. water bottles, metal straws, etc.

How many items did you upcycle/repurpose? *

i.e. to divert them from landfill or give them a new life

How many kms of driving did you eliminate? *

e.g. through active transport (walking, biking), public transit, or carpooling

How many minutes of vehicle idling did you prevent? *

i.e. compared to pre-Action Project averages

What type(s) of reusable items did you create? *

What type(s) of reusable items did you distribute? *

How many L of rainwater/wastewater did you collect? *

e.g. through a rain barrel or sink catcher

How many L of water did you conserve? *

e.g. collecting rainwater, through fixing leaks, turning off water when not in use, installing more water-efficient appliances, etc.

How many solar panels did you install? *

How many wind turbines did you install? *

How many W of power did you save? *

e.g. through unplugging, switching to higher efficiency electronics, etc.

How many hours of electricity use did you eliminate? *

e.g. through unplugging, switching off

Other: Please provide some alternative impact measures for your Action Project below *

Include both the measure and the results!

Media

We love to see your students in action!!

Image File Upload *

Click or drag files to this area to upload.
You can upload up to 20 files.

Please upload images showing your students in action!
The max file size is 100 MB.

Link Sharing

Copy and paste links to videos, more images, websites, news stories, or other media about your Action Project!

NOTE: you will not be able to upload a video through this form, you will need to upload it elsewhere and share a link.

Please Note

Learning for a Sustainable Future (LSF) requires that any media submissions have the necessary consents and permissions (from parents or guardians where applicable) before they can be shared. You do not need to use our form, but if you need a sample media release consent form, [click here](#).

Confirm:

I confirm that I have obtained consent/permission from the individuals in the media being submitted.

Our Canada Project Post

Part of your Final Report is posting your Action Project on [Our Canada Project](#).

Here's how:

1. Go to www.OurCanadaProject.ca
2. Click the "Submit Project" button.
3. Log in or click the "Register" button to create an account.
4. Enter your Action Project details and upload some awesome photos of your students in action!
5. Click the "Submit" button and wait for us to approve and publish your post!

Why is this important? We use the Our Canada Project platform to share what amazing students like yours are doing across the country and inspire others to follow their lead!

This is also how we give out the [Empowering Youth for Climate Action Awards](#) - **by posting your Action Project on the site by May 25, you are automatically eligible to win up to \$3,000!!**

Have you already completed your Our Canada Project post? *

- Have you already completed your Our Canada Project post?
- Not yet, but I'll do it ASAP!
